

PROSPECTUS 2026

SHREE AGRASEN MAHAVIDYALAYA

NAAC ACCREDITED COLLEGE
DALKHOLA • UTTAR DINAJPUR

PREFACE

We take immense pleasure in presenting to the reader SHREE AGRASEN MAHAVIDYALAYA, a vibrant and dynamic institution committed to providing academic excellence, social inclusion, and holistic development. This prospectus reflects the college's vision of fostering an intellectually stimulating and value-based educational environment that empowers students to grow into responsible and enlightened citizens. SHREE AGRASEN MAHAVIDYALAYA, established in the year 1995, is situated in a remote backward rural area of North Bengal, with an aim to provide modernized and progressive education in the area. Through its modern infrastructure, dedicated faculty and student-centered approach, the college strives to create meaningful opportunities for learning, innovation and personal growth.

From the desk of PRINCIPAL :

It is my pleasure to welcome you to Shree Agrasen Mahavidyalaya, where we are committed to shaping the leaders of tomorrow through academic excellence and holistic development. Guided by the principles of continuous assessment, academic integrity, and innovation, our institution has continuously strived for excellence in higher education. Our college is NAAC accredited and with all modern facilities. We take pride in our modern infrastructure, smart classrooms, well-equipped science laboratories, language learning facilities, enriched library resources, and technology-enabled learning environment. From a humble beginning, the college has now developed into a vibrant and progressive institution providing various academic programmes and skill oriented courses in order to equip the young learners to successfully face the various challenges of contemporary times and to ultimately find their place in this competitive world. Besides academics, our students have excelled in co - curricular activities at inter-college, university and state levels and have won many laurels. Our college provides a transformative education, fostering critical thinking, creativity and leadership, which give an extra mileage to our students. Our distinguished faculty members are not just educators, they are your mentors and facilitators, with an aim to guide you and nurture you in your pursuit of excellence. Our college is an excellent hub of activities, engaging students in sports, arts and cultural events. These experiences are crucial for your overall development, helping you explore new interests, form meaningful connections, and build a well – rounded character. The facilities we provide in our college create a perfect environment for learning and discovery.

I firmly believe that perseverance, ambition, and dedication are cornerstones of success. With the collective efforts of our faculty, staff, students, and guardians, we continue to build an educational environment that inspires growth, innovation and achievement. Mutual love and cooperation, discipline, passion for cleanliness of the college premises and environment in general, would definitely go a long way to provide every student a blissful and successful life.

I warmly welcome all aspiring learners to Shree Agrasen Mahavidyalaya and extend best wishes for a rewarding academic journey filled with knowledge, opportunities and success.

With best wishes.

Dr. Jayeeta Basu
Principal

Establishment:

Shree Agrasen Mahavidyalaya started its journey towards excellence since 1st September 1995 to fulfil the demand of higher education of the locality. Shree Agrasen Mahavidyalaya is the only college within a radius of 50 km. The area, Dalkhola, had been totally neglected during the period of British Rule and there had been a complete indifference to the backwardness of its population. The college, located at an ideal site within the Municipal area surrounded by picturesque landscape with ever green, calm and quite atmosphere free from pollution, din and bustle of Municipal crowd, is the sixth degree college in the district of North Dinajpur. It was initially affiliated to the University of North Bengal but later it came under the jurisdiction of the University of Gour Banga from the academic year 2008. Our vision is to become the best educational institute by imparting equitable, inclusive, ethical, flexible and multidisciplinary knowledge to the budding students to serve the society. The college also envisions a life-oriented education propounded by the ideals of Swami Vivekananda. Our vision is to provide opportunities for the integrated development of the local youth irrespective of caste, creed, religion and gender. The college also envisions to provide basic higher education to the deserving students both of the backward communities and general category. For effective application of the decisions regarding academic and cocurricular activities, decentralization of governance is done and participative management with inclusion of various stakeholders ensures smooth running of the institution.

Vision

As the institution is situated in the most backward district and moreover in the educationally backward block of West Bengal, the vision of the institute is to become one of the best educational institutions empowering students to become intellectually sound, upright in values, virtuous and socially concerned to contribute as future leaders of the Nation by fulfilling their academic passions through liberal education.

Mission:

1. To achieve academic excellence and provide basic higher education to the deserving students particularly from the backward rural area.
2. To include discipline among the students in terms of sincerity, regularity, punctuality, humanity and inspire them to become a socially responsible citizen of India by organizing NSS and NCC programmes.
3. To inculcate values like self-respect, social equality, secularism, brotherhood and national integration by organizing various activities in the college.
4. To provide well equipped laboratories, two ICT oriented class room, friendly and green environment to flourish the potential of the students in all areas like science, arts, commerce, sports and cultural.
5. To promote integrated growth and personality development of all students with special emphasis on students from economically and socially challenged backgrounds.
6. To be alert about all-round development of the institution by adopting the modern and updated knowledge in teaching learning process.

Building :

It was built up with a meticulous vision and incomparable master plan. The construction of the building is still going on and it will go on without any interruption till it reaches its vision. The existing building, though not sufficient, is largely capable of providing basic amenities to the students. There is a big play ground adjacent to the college building providing sufficient facilities for sports and games.

The Highest Education is that which does not merely give us information but makes our life in harmony with all existence.

- Rabindra Nath Tagore
